Section II: Requested Coast Guard Credential(s)

Transaction Type - Place a check in the box for each transaction type that applies.

Original - An applicant must apply for an original MMC if they have never held any Coast Guard issued credential or if the first credential issued to applicant after their previous credential was revoked pursuant to 46 CFR Part 10. Complete the application and ensure all mandatory documents are contained with application.

Renewal - A credential may be renewed at any time during its validity and for one year after expiration; you must be qualified to renew all Domestic /STCW Officer and Rating endorsements to receive a new five year expiration date. An MMC renewal-only transaction will automatically be issued with a date that coincides with the expiration date of your previous credential or a date that is 8-months from the time the Coast Guard accepted your application, whichever is sooner. Page 4, Section II of this form provides you the opportunity to decline this post-dating feature and receive your MMC immediately.

Duplicate - In the event of a lost credential, a statement describing the circumstances of the loss must be submitted with the application. The duplicate will have the same authority, wording and expiration date as the lost credential. If a person loses a credential by shipwreck or other casualty that causes damage to a ship, a duplicate will be issued free of charge as per 46 CFR Part 10. If a person loses a credential by other means and applies for a duplicate, the appropriate fee set out in 46 CFR Part 10 must be paid. No application from an alien for a duplicate credential will be accepted unless the alien complies with the requirements of 46 CFR.

Raise of Grade or New Endorsement - Is defined as an increase in the level of authority and responsibility associated with an officer or rating endorsement. You must first hold an MMC before an endorsement is issued for a Raise of Grade and/or Increase in Scope (e.g. *Raise of Grade of 3rd mate to 2nd mate will not change the expiration date unless specifically requested and renewal requirements are met for all other endorsements on MMC*).

Increase in Scope - Increase in scope may include a change in horsepower, propulsion or tonnage limitations, or geographic route restrictions. You must first hold an MMC before an endorsement is issued for a Raise of Grade and/or Increase in Scope. Endorsements maintain the same expiration date as the credential being endorsed.

Document of Continuity - Documents of continuity do not expire, do not require medical or security evaluations, and do not require fees. They are a record of competencies previously held and do not authorize the holder to sail in any capacity listed thereon.

Description of MMC or Endorsement Desired - All Mariners will receive a single Merchant Mariner Credential. Describe all capacities and limitations both domestic and STCW including tonnage, waters, propulsion mode, horsepower, ratings (*Ordinary Seaman, Able Seaman, QMED-Oiler, etc.*), purser, doctor, radio operator, continuity, etc.

NOTE: Entry Level Ratings - There are no professional requirements needed when applying for entry level credential. Ratings may include Ordinary Seaman, Wiper, and/or Stewards Department / Stewards Department (*Food Handler - F.H.*). Per 46 CFR Part 10, applicants requesting Stewards Department (F.H.) will be required to submit a statement attesting applicant is free from communicable disease

Section III: Safety and Suitability

III. 1 **TWIC Information:** Unless specifically exempted, the Coast Guard must have evidence that you hold a valid TWIC or, for original applicants, that you have enrolled for a TWIC and are awaiting the results. With the exception of applicants for Documents of Continuity, no mariner credential will be issued until the Coast Guard receives information from the TSA that you are currently or have previously been approved to hold a TWIC.

Exemptions from holding a valid TWIC:

- a. Mariners applying for a Document of Continuity are not required to enroll for a TWIC.
- b. Mariners who are inactive or not operating under the authority of their credential. This exemption will cease to exist if the mariner subsequently chooses to work under the authority of their credential.
- c. Mariners who serve on vessels that are not required to have a vessel security plan. These vessels include:
 - i. Uninspected passenger vessels of less than 100 gross register tons (GRT); and
 - ii. Vessels inspected under subchapter T of Title 46 Code of Federal Regulations, except those on international voyages; and
 - iii. Towing vessels not involved in towing barges inspected under 46 CFR subchapters D, I or O; and
 - iv. Towing vessels involved in fleeting, docking, or ship assist as excepted in Title 33 CFR, Section 104.105(a)(11).

This exemption will cease to exist if the mariner subsequently chooses to work under the authority of their credential on vessels not specifically exempted

III. 2a-e **Convictions and Drug Use**

Has applicant used dangerous drugs, including marijuana within the past 10 years? Check YES or No. Applicant must provide evidence of having passed a chemical test for dangerous drugs or qualify for an exemption from testing as per 46 CFR. Original applicants are required to list all convictions. Conviction means that the applicant for a merchant mariner credential has been found guilty, by judgment or plea by a court of record of the United States, the District of Columbia, any State, territory, or possession of the United States, a foreign country, or a military court, of a criminal felony or misdemeanor or of an offense described in section 205 of the National Driver Register Act of 1982, as amended (49 U.S.C. 30304). If an applicant pleads guilty or no contest, is granted deferred adjudication, or is required by the court to attend classes, make contributions of time or money, receive treatment, submit to any manner of probation or supervision, or forgo appeal of a trial court's conviction, then the Coast Guard will consider the applicant to have received a conviction. A later expungement of the conviction will not negate a conviction unless the Coast Guard is satisfied that the expungement is based upon a showing that the court's earlier conviction was in error. If you are unsure what you previously reported, you are encouraged to provide a complete list of all convictions. Failure to report convictions will delay your credential and may result in denial.

III.3 **National Driver Registry (NDR):** No MMC will be issued as an original or reissued with a new expiration date, and no new officer endorsement will be issued, unless the applicant consents to an NDR check as per 46 USC 7505.

Section IV: Mariner's Consent/Certification

IV.1 **Mariner Outreach System (MOS):** This is an optional program. Applicant will need to select whether Yes, they would like to participate, or No, they do not wish to participate in the Mariner Outreach System, by selecting either of the check boxes.

IV.2 **Continuity:** Credentials issued for continuity purposes are not valid for use.

IV.3 **Consent:** Applicants under the age of 18 must attach a notarized statement of parental/guardian consent.

IV.4 **Third Party Release:** If you want the NMC to be able to discuss, release, or receive information/documents regarding your credential application with a third party (*spouse, employer, school, union, etc.*) you must provide specific guidance to the NMC regarding what issues we may discuss and with whom. You may allow release of all information to certain individuals or entities. If you limit the release of certain information you must be specific by making a selection on the application or by attaching additional documentation. For each selection made, ensure the Name of the Organization or Third Party, Organization Point of Contact (*if applicable*), Address and Phone Number is completed. If you wish to provide multiple Third Party Releases, attach additional pages as needed. A sample may be found on the NMC website: <http://www.uscg.mil/nmc/>.

IV.5 **Certification:** Applicant certifies that the information provided is true and correct. Every person who applies for an original MMC must first take an oath. The applicant must sign and date the application stating they have taken the oath. Failure to sign will result in the application being returned. Per 46 CFR 10.225(c), an oath may be administered by any Coast Guard designated individual or any person legally permitted to administer oaths in the jurisdiction where the person taking the oath resides.

IV.6 **Signature and Date:** Failure to sign and date the application will result in the application being returned.
